For pets with health conditions such as diabetes, seizures, heart disease, renal failure, and others:

I am aware that because of my pet's underlying illness that the ideal place to board/leave my pet overnight would be at a 24 hour care facility, home care, or emergency clinic. I am aware that my pet will be left unattended after business hours and during holiday weekends.

Initials: \_\_\_\_\_

I authorize and will pay any necessary treatments my pet requires in the event that I cannot be reached. I still elect to board my pet at East Plano Murphy Pet Hospital and release the clinic, doctors, and staff of any liability should illness, worsening illness, or fatality occur.
